Cousin

We've made a lot of memories Throughout our childhood days.

No worries in this great big world.

All we did was play.

I knew you would have my back;

That I could count on you.

Even now since we've grown up, I know that still is true.

I can't even remember

The first time I saw your face;

But I do know within my life

No one can take your place.

We're there for each other, And we will be to the end.

By blood we are cousins;

And by our hearts we're friends

-Shaniqua Cooper
